## TAKE WARNING!

THE V. & T. R. R. CO. ARE ANXIOUS TO

take due precaution against accidents and loss of life resulting from the running of their trains and they take this method of warning parents and guardians against the dangers attending the frequent practice of children playing about their cars and locomotives. Those having in charge the business of the Company find it impossible to prevent children from frequenting the terminus and stopping places of the road from climbing upon the cars and engines; and they will feel themselves obliged to resort to more decided
